HOW TO REGISTER FOR CLASSES (Instructions for Mobile site.)

1. Go to WarriorLink for Students and Login.
2. Click on Class Information and then Class Search.
3. Be sure to select the correct Term (Quarter). Then use the Subject to find your class, or use a Keyword, or click on More filters for more options. (PROTIPS: Do not use "Academic Organization". Do make sure the Class# matches the information your advisor provided. IF a course listed has an "&", it is a (CCN) course.)
4. When the correct class is showing, click on the 3 dots on the right hand side of the class line. To enroll right away, click on Enroll. To save it for later, click on Save to Cart (the Shopping Cart or to My Planner). *!! Adding a course to the Shopping Cart or My Planner does NOT enroll you in the course!!*
5. You will get a box that ask for a Permission Number. Most courses do NOT require this, just click on Save.
6. When you click Save, the Enrollment Results box will pop up. If the class is full, you will receive an option to add yourself to the Waitlist. Click OK.
7. Repeat for other courses and check your enrollment status on the WarriorLink Dashboard by click on Academic tab.
