SELG Meeting Minutes

I. Attendees: Lisa Chamberlin, Joshua Slepín, Melissa Rodríguez, Christy Doyle, Graydon Stanley, Tessa Kimball, Michelle Cole

Absent: Nick Velluzzi, Lori Peterson Proxies: None

II. Update on Enrollment - Lisa

- a) Summer Enrollment is at 410 FTE as of today.
- b) Reviewed the last two-three years of enrollment in various population groups (Summer, Athletics, Running Start, BAS (Matriculated) looking at patterns and changes.

III. Update on FAFSA Simplification– Tessa

- a) FA team is just beginning – this week - to get information from SBCTC about how to set up and process financial aid in ctcLink with the changes from FAFSA Simplification.
- b) While the FAFSA form itself is now working, the updates/training coming from SBCTC is causing tons of frustration for FA staff across the system. Things are not yet working and set up is complex and changing daily.

Various depts and individuals around the college are providing feel good support to the FA office in appreciation for this herculean effort over the next three-four weeks.

IV. Review of SEM goals and strategies – Lisa and all

- a) Now that our first full year is completing under our SEM plan, SELC is reviewing the four goals and 10 strategies with the final version of the **Strategic Plan's Priority 1: Students Learn and Achieve their Goals** – as this priority is the primary one to align with SEM.
- b) It was determined that all 4 SEM goals still apply but need some updated wordsmithing.
- c) It was determined that all 10 strategies still applied but also need some updating to reflect our move into year 2 of the plan.
- d) Multiple “measures of success” have been met for Goal 1.
